

WHY Super Talent TwoDrive?

Super Talent continuously strives to update you with the latest developments and improvements on its APP to allow "TwoDrive" to be more user-friendly.

Now more than ever, you can enjoy the "new and improved" APP with the following functions, and with just One-Click, explore our Plug and Play device!

Features

- When you are on STT Mobile Manager APP, you still can easily switch to multiple apps
- You can shoot new pictures and videos directly to the TwoDrive
- You can directly copy your photos from TwoDrive to camera roll on Apple devices
- One-Click Backup! Extra space for all your movies, music and endless photo taking
- Great compatibility with any Lightning device with NO annoying error message
- No need cable, you can use TwoDrive as a lightning cable AND a USB 3.0 drive

Bring the films with you and play for a happy journey
